## Happy Holidays!

As 2023 comes to a close we would like to take this time to express our gratitude for all of your support. This was a year of growth for EADV and we could not have done it without you. We are committed to increasing the number of organizations we serve in 2024 and we can use your help.

Please consider making a tax deductible year end donation to Employers Against Domestic Violence. Your gift before December 31st will make the difference in our mission to ensure workplaces remain intolerant to all types of violence.
